

He is Risen

©2001 Noeleen Johnston & Michael Brumpton

Chorus

*He is risen.
He's alive
He is risen,
Jesus Christ.*

*He came from heaven
To Earth to die
But now He's risen
Yes, He's alive!*

No tomb could hold our Lord,
He's more powerful than death.
The grave clothes now folded, left behind.

The Blood-soaked cross,
No longer symbolising death,
For it's now a sign of "Life in Christ".

Chorus

He bled and died for me,
As He hung up on that tree.
His love for me, can never be denied.

Now I can see
He's lifted up in power eternally,
For He's now, and ever glorified.

Chorus.

Chorus.

He is risen.
Yes he's risen
He is risen
Yes he's alive
